- Tech Stack: Ruby, PostgreSQL, Sinatra, RSpec.

INTERESTS & HOBBIES

- Travelling
- Singing & playing the piano
- Playing sports and going to the gym

PROFILE

Driven and motivated developer who is an effective problem-solver in a dynamic and agile environment. Interested in applying my skills to improve technology for business use. I've been involved with a non-profit organisation called HSS (UK) since I was 6, which instills the ethos of hard work, good morals, selfless working and aligns with my passion tech for good. I pride myself in managing my time and highly adaptable to different working environments, with an ability to create strong working relationships at all levels.

WORK EXPERIENCE

Junior Web Developer

Flex Media | Ai Powered Digital Media Agency

Oct 2023 - Present

- Build websites using Wordpress and UX Design elements.
- Develop and take ownership of websites that adhere to the clients needs.
- Communicate and lead regular meetings with the client and line manager.
- Optimise website templates for SEO strategies and create a consistent user experience across various platforms and devices.

Co-ordinator & Physical Activities Team Lead

Hindu Swyamsevak Sangh (HSS UK)

Jan 2009 - Present

A not-for-profit organisation focusing on character development by instilling values based on Hindu culture.

- Led and managed activities promoting development, service to humanity and unity for the Woolwich Branch.
- Provided support and development opportunities for all age groups (5-70+ years) through weekly activities on games, health & fitness and culture.
- Demonstrated strong communication and organisational skills to ensure equal development opportunities for all participants.
- Organised and facilitated a successful public yoga session with 200+ local community members in celebration of International Yoga Day.
- Collaborated with diverse individuals to lead monthly meetings, charitable events and selfless initiatives.

Volunteer & Decorations Lead

SKSS Temple Woolwich

Jan 2021 - Present

- Facilitated collaboration between HSS UK and the local community to promote understanding of Hinduism through organised events.
- Implemented lessons learned from previous events, continuously improving processes and enhancing event outcomes.
- Led festivals and effectively promoted them through various channels including social media, emails and face-to-face interactions.
- Successfully coordinated and delivered events within tight deadlines.

Maths & English Tutor

Explore Learning

Feb 2021 - Dec 2022

- Planned and delivered engaging lessons to 100+ students, ensuring high quality education.
- Adapted learning material to cater to various learning abilities, fostering a patient and inclusive environment.
- Effectively communicated with parents to provide comprehensive feedback on their child's progress.
- Led open days and workshops to drive awareness of innovative learning techniques and technology integration.
